Custom Belt Buckles

The pattern fee is for the initial set-up, artwork and pattern costs. No charge for reorders.

Straight Design Pattern - \$175

The border, text, logos and drawings are raised above the background which is recessed about 1/16" and darkened with a rich patina. Majority of patterns are prepared this way.

Stacked Design Pattern - \$275

The border, text, logos and drawings are layered on top of each other. Mainly used for simpler designs such as silhouettes, bold lettering, and logos. Usually good for 2-4 layers.

Sculptured Design Pattern - \$375

The border, text, logos and drawings are prepared like the Straight or Stacked Designs but with an added realistic 3-Dimensional element such as a sculptured mountain or scenery.
